MAKE A STATEMENT IN STACER'S NEW 539 EASY RIDER

Featuring a new sleek, moulded dash and a larger bow and cockpit area than ever before the 539 Easy Rider is one stylish and comfortable ride.

The 539 Easy Rider built with the EVO Advance Hull offers a smooth ride, cutting through swell with ease and with a ski locker, rear ladder and 95L underfloor fuel tank included as standard the 539 Easy Rider is perfect for water sports action.

If you also enjoy a bit of fishing then the 539 Easy Rider has you covered with a sounder, rod holders and an optional convertible front casting platform.

Wynnum Marine's Dealer Principal Darren Nichols said the 539 Easy Rider now offered more room to relax with the larger bow area and rear lounge.

'The 539 Easy Rider is perfect for the whole family with room for up to seven people and can still be easily towed behind your average family SUV or 4WD.'

'The new rear lounge now has a wrap-around design over the back rest improving comfort and can be folded flush with the transom when you need a bit more space,' Darren said.

Complete with a bimini and envelope for cover from the sun and a sound system included as standard the 539 Easy Rider will be a favourite with the whole family.

Even with a massive list of standard features there is still room to option up your 539 Easy Rider with a live bait tank, cutting board, vinyl wrap, transom door, ski pole and front and side clears for little bit of extra protection.

The 539 Easy Rider is available as a Stacer Ready 2 Go package complete with boat, motor, trailer and 3 year limited warranty for peace of mind.
