Wynnum Marine Appointed MasterCraft Dealer

One of Queensland's longest established and most respected marine dealers, Wynnum Marine, has been appointed the exclusive dealer for MasterCraft ski and wake boats for the SE Queensland region. The MasterCraft

line of ski boats is widely accepted as the premier ski boat brand, worldwide.

Wynnum Marine is fully committed to the MasterCraft brand with an initial stocking of four MasterCraft boats. These include the MasterCraft X2, X25, X10, and Pro Star. The recently released NXT model will also be stocked just as soon as it becomes available. Customers can visit Wynnum Marine today and personally inspect these world class ski and wake boats. The quality, appointments and features of MasterCraft boats is without peer.

MasterCraft boats are wholly manufactured in the United States. The MasterCraft company was founded in 1968 when the first model was manufactured in a farm barn in Maryville, Tennessee. In the first year of business, just 12 boats were produced. Today, 46 years later, annual production of MasterCraft boats runs to many thousands.

The international success of the MasterCraft brand is attributed to product innovation, styling, comfort, performance and quality. The MasterCraft range covers ten models ranging in length from 6.10m (20') through to 7.34m (24'6").

MasterCraft boats are purpose designed for wake boarding and water skiing. The hull design and engineering built into each model is squarely aimed at delivering the best possible ride for customers. Whether skiing, wake boarding or wake surfing there is a purpose designed MasterCraft model to suit.

"We feel privileged to have been appointed the exclusive MasterCraft dealer in south east Queensland," said Justin Nichols of Wynnum Marine.

"This is a high quality, keenly sought after ski boat. There is absolutely nothing else like a prestige MasterCraft... it truly is the Rolls Royce of the water ski market."

The MasterCraft appointment is an ideal fit for Wynnum Marine. Wynnum Marine is also the Brisbane dealer for Cruise Craft boats, a brand that is nationally respected for the same qualities as MasterCraft.

Wynnum Marine is the Brisbane home of CruiseCraft boats. The dealership is the authorised dealer for Cruise Craft, MasterCraft, Stacer and Gemini inflatable's, plus Yamaha outboard engines.
